How to Conduct a Healing School

To Help You

Praise the Lord you are going to conduct a Healing School! The Word tells us to “study to show yourselves approved, a workman worthy of his hire.”

You are about to embark upon one of the most exciting things that you will ever do in your Christian life for the Lord Jesus Christ.

The **first** thing you need to do is to be **excited**. You may or may not have been through a Healing School but you need to watch the DVD's first of all so that YOU will be super excited about sharing this information with other people.

Decide on which night of the week or which day of the week you want to have your services. If you decide on the 7 hour Power Pack, this takes three weeks, so decide on possibly three Monday nights to have the services. Then send out a little card to your friends, telephone them if possible and invite them to come to your Healing School. ***If you are excited, they will get excited about coming.*** If you are not excited they won't get excited, so we want to encourage you to be really excited about this life-changing experience that the Healing School is going to do for you and your students.

We have a few little things that will help you to learn how to hold a Healing School, so read carefully and your school will be a tremendous success!

1. Start promptly on time with prayer to open the hearts of the people to receive God's word!

2. Encourage your students to be participators, not spectators. When the TV claps, encourage everyone to clap. When we ask the audience to repeat something, encourage them to say it, the same if we ask them to stand up.

3. Make sure that your people are seated so they can see your TV.

4. **Because praise and worship is so vital** to prepare the students for receiving the Word of God, we would suggest at the beginning of each lesson that you play one song from a good CD. We always use one from Cindy Cruse-Ratcliff at Lakewood Church and the song we sing is, “He Calls Me Friend.” That is a real enthusiastic song and it does a lot to prepare the students to receive the anointing of God. God inhabits the praise of His people!

5. Play the first portion on the tape, **“Miracles, Miracles, Miracles,”** because it is so vital that people see that miracles actually happen today.

6. After this, followed by Hour 1, you may want to demonstrate how easy it is to heal the sick. The best way to do this is through a lower back problem because this is one of the easiest things to heal. You will have learned because you will have watched the videos in

advance, so demonstrate asking if someone has a back problem **with pain** because 90% of the time someone will have a back problem. Let students experience visibly seeing a miracle.

7. Take an offering for your church or for yourself or to send to Hunter Ministries. If you are selling any books or tapes there, let them go out and take a look at the books and tapes. Give them a 15 minute “nature” break.

8. Show Hour 2 of either the 7 hour Power Pack or the 15 hour How To Heal the Sick.

9. After that, then have everyone lay hands on everyone else. At this point they will not really know how to lay hands on the sick, so you will have to do most of it.

10. The second night of your school show Hours 3 and 4 doing exactly the same as the first night. Tell them to lay hands on the sick. Tell people to invite their friends because the third night will be a Miracle Service!

11. The third night after you show Hours 5 and 6, have a Miracle Service. Let all the students lay hands on the sick. Pair off so one can pray and the second person can “catch” because people will be falling under the power. It is when they start laying hands on the sick that they really get excited!
