Arise & Shine in 2009!

January 2010

Dear Partners of Hunter Ministries,

It has been too long since we have corresponded with you. For that I apologize. My plate has been full. This has been unlike any year before, particularly with Mom's passing in July. WE ALL miss her so much.

Hunter Ministries' offices and warehouse were moved to Pinehurst, TX in late October. We are thrilled that most of the staff moved as well. We found a home in Pinehurst for my Dad, so he can be closer. He will be moving in the next few weeks. It will be great to have him so close again.

I can still hear my Mom saying, "Don't let them forget me." When she made that request I was quick to remind her that she is unforgettable. We are adding force to that statement with some big changes and advances in Hunter Ministries.

We are especially excited to report that Mom and Dad's videos are being seen around the world at no charge to those that are watching, because of you, through www.xpmedia.com. XPMedia is in the process of uploading another 225 more hours of their teaching. Eighteen languages have been put into the format that can be uploaded easily. People in Africa can watch the Healing series in French or Swahili. Japanese, Korean, Spanish, Russian and many other languages are being made available on that web site also, and of course, English. Many of their English teachings are on the Internet already.

Everywhere I travel people approach me and tell me that they have been watching Mom and Dad's teachings online and how much they appreciate them. People the world over have told me how they were saved, healed, delivered from smoking and received the Baptism of the Holy Spirit in a service YEARS AGO!!! Mom and Dad prayed for couples wanting children wherever they went and many of these Miracle babies have introduced themselves to me! Glory! How great is the love of our Father!

The legacy of my parents, Charles and Frances Hunter will live on in our hearts and lives forever.

Thank you for continuing to support this ministry. Many continue to get saved, healed, receive the Baptism of the Holy Spirit and delivered from smoking. This not only through www.xpmedia.com, but through **you and me** as we continue laying hands on the sick and seeing them recover.

Thank you for seeding into a ministry that God used to help transform your life and is STILL being used to help transform others.

Let me encourage you to come to each of our ordinations. God is moving so mightily through these teaching and impartation meetings. We will continue to have them at least twice a year, as before.

We will continue offering ALL Charles and Frances Hunter's books (10 for \$30 or \$3 each for as many as you want over 10). Just for you, through the month of January 2010. Call your order in to 281-789-7500 (Be sure to mention that you are a partner so you will get this rate the month of January also).

It is our prayer that you had a great Christmas and are looking forward to the best year ever in 2010!!!

Be sure to send us your email address, so we can update you on a regular basis with what is happening here and around the world. We will be sending out a 4 color email with pictures of the grandchildren and my 2 new granddaughters that were born in December.

Blessings,
