July 2009 Opportunity Letter

HAPPY 89TH BIRTHDAY, CHARLES!

Beloved in the Lord,

July 23rd will be a big day in our house! Charles will be celebrating his 89th birthday!

We have had some health challenges this year and in the event you have had some challenges of one kind or another, I want to remind you to **don't give up!** You may not see anything in the natural, but God is working in the supernatural.

Just today we received an exciting e-mail from the Ukraine which said, "Thank you for the encouragement I receive from your books. So many readers in Ukraine and Russia can say the same. **I proclaimed 2009 the year of Charles and Frances Hunter at Baruch Publishing.**"

While we haven't been able to see very much in the natural, God has been working this whole time in the supernatural. Isn't that an exciting honor to have a country name the year after you because of the influence your books have had on them! We are looking forward to seeing them all printed in the Ukrainian language.

We don't care what your problem is, I want to encourage you not to give up! There are times in our lives when we feel like throwing up our hands and saying, "I give up!", but that is always just before a big miracle happens, so remember, "**Don't give up!**"

Charles and I started this ministry almost 40 years ago, and if you would like to make a sacrificial gift of \$89.00 to wish Charles a happy birthday, that would be a wonderful thing. All gifts will be put into the ministry to be used for the kingdom of God.

We are still sending free books and DVD tapes overseas, so your money is working for you and the Spirit is working in your behalf even though you are not aware of it.

There are two dates we want you to remember. **September 19th is our Worldwide Day of Healing**, and we want you to participate in that because it is going to be an awesome day when people all over the world minister healing because you have supplied the money for us to send the tapes overseas.

October 8, 9 and 10, 2009 is our eighth Ordination Service. This will change your life forever! If you have not sent in your application already, be sure and pull up the information from our website at www.cfhunter.org and send your application in.

If you cannot make it to the ordination service, you can purchase the first ordination services DVDs, which is the March 2006 Ordination Services and by watching them these will qualify you to be ordained.

Nine is the year of harvest and since this is Charles' 89th birthday, we know this is going to be a year of great harvest!

Be a part of it by ordering your March 2006 Ordination Services. **We are giving you a special price - the DVDs are normally \$100.00, but we will send them to you for just \$50.00 and this will include a copy of the books, *How To Heal the Sick* and the *Handbook for Healing (#70087)*.** We want you to be a part of the Ordination Services! You still have to send in the ordination application form, your testimony of what you were before Jesus saved you, what you are now that you are saved, and your \$50.00 processing fee. Once you have watched the DVDs and read the two books, you can call and make an appointment to be ordained over the telephone by Frances Hunter.

In His Love,

Charles & Frances Hunter

P.S. Don't miss the July special offers with this letter!

We will be having very special guests to speak at our July 10th and 11th meetings. **Clyde and Donna Frizzelle are missionaries to Israel where they have opened 27 new Video Bible Schools** already this year! They have just arrived back in the United States and will be bringing you exciting messages about what is happening in Israel. **Don't miss these incredible meetings on Friday, July 10th at 7 p.m. and Saturday, July 11th at 10 a.m. and 6 p.m. at the Victory Christian Center, 26452 Sorters Road, Porter, Texas 77365.**
